# MARGARET GROH BIOLOGY FOR MAJORS SCHOLARSHIP

---

Awards are all or any combination of tuition, fees, and course supplies for BIO182 or BIO247 in the following semester or academic year. Total number of awards varies depending on funds available.

## REQUIREMENTS AND INSTRUCTIONS

- Complete an application and submit it by the first Friday of March. Incomplete applications will **NOT** be considered.
- Completed at least 6 semester hours of college credits including BIO 181 and one majors course in chemistry at Phoenix College with a cumulative GPA of 3.0 or higher and a grade of B or better in BIO 181 and chemistry. Unofficial transcripts required for review.
- Applicant does not have to be a PC student at the time of application submission. Awarded applicant(s) must be at least a half-time student at Phoenix College taking at least one biology course.
- Student candidates will submit examples of their work from BIO 181 including a graded written lab report. Candidates also will include a one page narrative of how the lab report exemplifies their understanding of biology work and their interest in biology as a field of study. The narrative should be single spaced, 1" margins on all sides and in 12 point font in Verdana or Arial.
- Submit two letters of recommendation (not more than one year old).
- You may download the application from the Biology home page, [www.pc.maricopa.edu/biology](http://www.pc.maricopa.edu/biology).

Applicants will be notified of the status of their application. In most cases those selected will be invited to attend an awards ceremony at some point in the school year. If you have questions or need assistance, please feel free to contact the Phoenix College Biology Department at 602.285.7100
