Issue 3

## *President's Welcome*

### *A note from the President*

As your new Phoenix College ASID President I would like to welcome everyone this spring semester. The Interior Design Program and ASID Student Chapter provides you with many opportunities to expand your understanding of the design profession and create new friendships. Events have been scheduled for you to meet design professionals, build your portfolio, learn about new resources, and network with other students. I welcome you to join others and myself in the upcoming events. The bulletin boards in DB 136 and DB 331 will have activities and opportunities posted.

During the previous semester, members learned how to do a PowerPoint presentation and brush up on Auto CAD skills. We had fun making holiday wreaths for Tour de Noel and customized some gift baskets for the Alumni Auction. Members had a great time when the Arizona North Chapter sponsored a Road Rally where Industry Partners hosted a progressive lunch as we traveled from showroom to showroom in a trolley. We topped off the fall semester with a Holiday Luncheon and Tour of the Wrigley Mansion Club. A round of applause goes out to the student board and members for making the fall semester a success.

If you are interested in volunteering, the student board and professional board usually have opportunities available. Please feel free to contact the student chapter for any questions or ideas you may have. As we all work together, we will accomplish much and have a rewarding educational experience that will pave the way for our futures.

*Have a profitable semester!*

Christine Cox
