2005 FALL SPORTS MEDIA GUIDE

Phoenix College, in its eighty-fifth year of service, is proud of its long tradition of student success in the classroom and on the field. We are confident that legacy will continue in 2005-2006.

We are very proud of our student athletes. Each of them participates in the Student Athlete Scholastic Success Program (SASS), with the coaches, administration and faculty as their partners in reaching their academic goals.

Last year's student athletes boasted an average GPA of 3.1, proving that they took their studies as seriously as they did their sport. This achievement led to Phoenix College being ranked first in the nation in Academic All-Americans by NJCAA.

Enjoy yourself at this event, and come back to support each of our men's and women's sports teams.

Go Bears!

Coaching Staff

Patrick Mooney

Head Coach, 10th year

Coach Mooney will start his 10th season at Phoenix College with a long resume of success. To this point, the Phoenix program under Coach Mooney's guidance has sent 27 athletes to universities to continue their volleyball careers, has produced 8 consecutive Academic All-American Teams, 22 individual NJCAA Academic All-Americans, 5 Athletic All-Americans, and

numerous ACCAC All-Region athletes. Coach Mooney is involved with the Arizona Juniors Volleyball Club as a coach, and still participates as a player in the Arizona Region of the USA Volleyball Association. His wife's name is Jama and has two stepchildren named Carter and Carly.

Nicole Logan

Assistant

Returning to her roots as a new assistant coach is Nicole Logan. Nicole is a graduate of Shadow Mountain high school where she was an all region and Valley Super Dozen performer. She has completed two degrees; one here at Phoenix College with Honors and a bachelor's degree in Community Health at Portland State University. While at PC, she

was selected to the all region and all conference teams both years and was chosen as an Academic All American and Athletic All American as well. As an all Big Sky Conference team member in '04 at Portland, she helped lead her team to one of its most successful seasons. Niki, who was recently married to another former PC athlete Jerrod Logan, is also employed in the Health Enhancement Department at Phoenix College.

Ernest Vasquez

Assistant

Ernest is a graduate of St. Mary's high school where he competed on the boy's volleyball team for 3 years. He is also a graduate of Phoenix College and ASU (Art) and is now completing his massage therapy coursework back here at Phoenix College. He

frequently produces various pieces of pottery, paintings, and sculptures. Ernest spent the last year in

Yuma as an assistant with their team and is thankfully back at home. Ernest will be heavily relied on this season to be involved in all aspects of the team such as planning and facilitating practices, recruiting, match strategies and adjustments, and game video analysis. Coach Mooney is very fortunate to have someone with Ernest's knowledge and experience on the coaching staff.
