# Mission of WLG

*The mission of the Maricopa Community College Women's Leadership Group (WLG) is to provide for the continuous development of a strong and supportive work environment for the diverse women of the Maricopa Community Colleges.*

- **Advocacy** – Represent the interests of all Maricopa women to the administration and on committees district-wide.
- **Communication** – Develop communication channels which will expand, promote, and support cooperation and collaboration between WLG and other groups.
- **Network Opportunities** – Promote meaningful interaction among Maricopa women.
- **Partnership** – Create partnerships with other District groups which further the interests of women.
- **Personal & Professional Development** – Sponsor learning and mentoring opportunities to enable Maricopa women to improve their careers.
- **Recognition** – Coordinate programs that recognize Maricopa women for leadership, service, and innovation.
