

Follow the attached instructions to update your account.
Students are assigned an invalid email address when their account is created in Blackboard. You must therefore change your “dummy” email address, initially put into Blackboard, to your own personal email address. To do this:

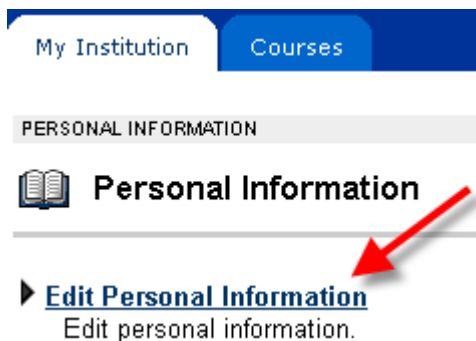

Step 1

From the My Institution Page click on Personal Information.

Step 2

Click on Edit Personal Information.

Step 3

Type your valid email in the space and click submit.

1 Personal Information

Middle Name	
* Last Name	Doe
Email	john.doe@yahoo.com
