# SUMMER 2013

CLASS #12638	DATES: 6/4/13 - 8/20/13	TIME: 6:00 PM TO 9:30 PM TU TH 9:00 AM TO 4:00 PM SAT
DAYS: TU TH SA	ROOM: PC DOWNTOWN 207	INSTRUCTOR: STAFF

## What is a Patient Care Technician?

Patient Care Technicians work along side doctors, nurses and other healthcare professionals to provide direct patient care in a variety of healthcare environments.

## Course Description:

The Patient Care Technician Program is a comprehensive 120-hour course designed to prepare students for employment as advanced cross trained patient care technicians, patient care associate or nurse technicians under the supervision of licensed and registered nurses. This comprehensive course prepares students to work in hospitals, clinics, rehabilitation centers, long term care facilities, physician offices and assisted living facilities and take the Certified Patient Care Technician (CPCT) exam. Course content includes: HIPAA; vital signs; patient care; personal hygiene and grooming and aseptic technique among others. Note: A 100 hour clinical externship - arranged and provided by Condensed Curriculum International Inc. - is available for students after successful completion of this program.

All programs/courses are AZJobConnection approved.
