DAYS: MO/WE	ROOM: PCDOWNTOWN 207	INSTRUCTOR: HEATHERLY, S.

Course Description:

This 72 clock-hour comprehensive Pharmacy Technician course prepares students to enter the pharmacy field and take the Pharmacy Technician Certification Board's (PTCB) exam. Technicians work in hospitals, home infusion pharmacies, community pharmacies and other health care settings – working under the supervision of a registered pharmacist. Course content includes medical terminology specific to the pharmacy, reading and interpreting prescriptions and defining drugs by generic and brand names. Students will learn dosage calculations, I.V. flow rates, drug compounding, dose conversions, dispensing of prescriptions, inventory control and billing and reimbursement.

*students will be subject to fingerprinting and background checks prior to seeking employment as a Patient Care Technician.

All programs/courses are AZJOBCONNECTION approved.
