

**COLLEGE FOR PEOPLE WHO LIVE, WORK, PLAY AND LEARN IN THE HEART OF THE CITY.**

Phoenix College now offers courses at the Downtown Campus at 640 North First Avenue, even closer to where you hang your briefcase by the day and your hat by night. Whether you're working toward a degree, want to get ahead at the office, or just like to learn something new in your free time, Phoenix College Downtown is just around the corner. We are in a beautifully restored historic building, with leading edge computer labs, free adjacent parking and friendly faculty and staff.

## HEALTHCARE COURSES

### **Doc Speak: How to Talk to Your Doctor** **\$19**

This is your chance to learn the best way to communicate with your doctor or healthcare professional. Learn about the important questions to ask and how to ask them.

### **Pharmacy Technician Program** **\$915**

This 72 clock hour comprehensive course will prepare students to enter the pharmacy field and to take the Pharmacy Technician Certification Board's PTCB exam. Technicians work in hospitals, home infusion pharmacies, community pharmacies and other health care settings - working under the supervision of a registered pharmacist. Course content includes medical terminology specific to the pharmacy, reading and interpreting prescriptions and defining drugs by generic and brand names. Students will learn dosage calculations, I.V. flow rates, drug compounding, dose conversions, dispensing of prescriptions, inventory control and billing and reimbursement.

All classes are taught by an Interim Licensed or Practicing Registered Pharmacist or Doctor of Pharmacy or Certified Pharmacy Technician who brings real life experience to the classroom. A Recognition of Completion document is granted upon successful completion.
