Study Abroad in Ireland

At Phoenix College we have created a Study Abroad Program that focuses on the artistic beauty of Ireland. Hosted by noted local and international artist Roman Reyes, we begin with three full days in Dublin, the Irish cultural capital. Our program focuses on the best of Irish art and history and includes visits to Trinity College, the National Gallery, Christchurch Cathedral — with time for personal exploration. We then move to Tullamore, County Offaly, the centre of the Irish midlands, and relocate to historic Charleville Castle.
