Happy New Year and Welcome Back!

The semester has barely begun and it’s already shaping up to be a great one. We’re in the works on several events including an interesting tour, a fun fund-raising event, and a members-only dinner.

Last Fall we had a tour of several Scottsdale nightclubs which included question & answer sessions with the designers of each club. We also had a seminar focusing on portfolios with guest speakers Libby Copeland of Copeland Interiors and Jeffrey Rausch of Exclaim Design. We wrapped up the year with a wonderful luncheon and tour at the Wrigley Mansion. This semester promises to be just as interesting.

We want to introduce our student members to some important design-related resources. Our tour this semester is of a local reference library that caters to designers, architects and contractors. And check out the insert in this newsletter for great ideas on other professional organizations to join, suggested magazines of interest, and web sites that no design student should miss.

Don’t forget to renew your ASID membership for the 2004 calendar year. Members receive free or reduced admission to all student events, and can also attend the professional chapter meetings. ASID is your first step to meeting designers, vendors, and other design-related business throughout the Valley!

"Get Interested, Get In-the-Know, Get Involved”

Last year the ASID Phoenix College Student Chapter grew both in membership and in recognition throughout the design community. Students from Phoenix College attended several professional (ASID Arizona North Chapter) meetings, and were invaluable as volunteers for both student and professional chapter events. Keep up the good work!

We’ll be looking for students interested in joining the Student Chapter Board next semester as other board members prepare to graduate. Make the most of your membership by becoming a decision-maker! Look for the application forms that we’ll post near the end of the semester.

Remember to continue checking the notice boards in DB136 and DB331 throughout the year for more information on upcoming events, or log on to our new website at
